- Combinations of GN containers.

CSE 810 M

W 800 - D 650 - H 300

The modules have the same features and performances as the cupboard units. They are designed to be fixed onto tubular steel supports but can also be installed on stainless steel or tiled worktops.

Tubular stainless steel supports for the modules.
(All the supports are made of Ø 60mm stainless steel tubes and are fitted with a stainless steel shelf and height adjustable feet).
